

St. John the Evangelist

CATHOLIC SCHOOL

Making God known, loved, and served.

FAMILY READY NOW!

Dear St. John Families,

St. John school community invites families to pray for two of our students who are currently admitted in the hospital. The staff and students stopped instruction to pray as a school, as we know that the praying collectively is powerful. Therefore, our prayer go out to the healing of both students, their families and physicians.

Saint Raphael the Archangel serves as the patron saint of healing. Unlike most saints, Raphael was never a human being who lived on Earth. Instead, he has always been a heavenly angel. He was declared a saint in honor of his work helping humanity.

The track season is now here! St. John's track teams are in immediate need of volunteers to help coach one of the field events. Having additional coaches will increase the safety of the students and participation. Our students love track and need the additional support to strengthen their teams. Six volunteers are also needed to run the track meet field event. Contact Coach Anderson if you are able to coach and/or run the field events at randerson@stjohntucson.org.

God gave us the gift of Himself in the Eucharist. It is a privilege for us to gather as a community for Mass. In order for us to encounter God, we put our trust in Him by genuinely participating through prayer, song and listening. In most cases, children learn quickly through their observation of the adults' actions. As the primary teachers of your children, how are you taking the opportunity to teach your children about the importance of Mass participation and its meaning. Below is a link that can provide information to help guide your family to gain a more in-depth understanding of Mass.
